

# CONSULTANTS' REGISTRY

## To: SAS® System Consultants and Consulting Companies

This Consultant's Registry provides you with an opportunity to list your consulting services, areas of expertise and experience for interested SAS® users at this year's WUSS conference. Completed forms will be placed in a notebook in the registration area. No soliciting is permitted during the conference, and brochures/promotional materials **cannot** be included in the registry. **The Consultant's Registry is self service. Please bring your completed form to the conference.** Contact the Operations Chair at operations@wuss.org if you have any questions.
