

WESTERN USERS OF SAS SOFTWARE

2023 Educational Forum and
Conference

Western Users of SAS Software

WUSS 2023

Oct. 31st to Nov. 2nd | www.wuss.org

WHO WE ARE

Western Users of SAS Software is a non-profit organization that has been promoting education, training, networking, and professional development since 1993.

WHAT WE DO

Our annual conference brings together hundreds of data software users from the Western United States and beyond.

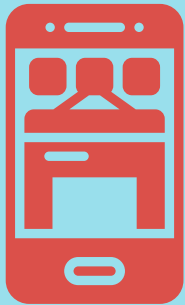

WHO WE REACH

- Programmers
- Data Scientists
- Statisticians
- Business Analysts
- Database Managers
- IT Administrators
- Researchers
- Students & Faculty
- Healthcare
- Financial Services
- Government
- Insurance
- Retail
- Pharmaceuticals
- Manufacturing
- Education

SPONSORS

Sponsors receive recognition at opening and closing session, on our website, and at all WUSS-supported events, as well as free and discounted registration to our annual conference. Top tier sponsors also receive a booth in the exhibit hall and an opportunity to speak at opening session.

Sponsorships are available at all price points.
Let's find a package that works for you!

TECHNOLOGY SPONSORS

Set yourself apart with an exclusive technology sponsorship. These limited opportunities feature your branding on our mobile app, e-Posters, or Hands-On Workshops.

EXHIBITORS

Host a booth in our exhibit hall and get direct access to conference attendees.

Discounts available for exhibitors from academic institutions.

WHY SPONSOR?

Build brand awareness and take advantage of targeted marketing with our niche audience

Get to know your customers and gain valuable insights into what they need

Gain prestige by supporting an event that your customers care about

Drive sales and introduce new customers to your products

Recruit industry experts to be part of your team

Receive free and discounted registration for your employees
